OBJECTIVE

Current MSc student in Software, Web and Cloud at Tampere University with 4 years of professional experience as a Software Engineer with a passion for building user-centric applications and a proven track record in React, Node.js, and JavaScript frameworks.

WORK EXPERIENCE

view26 (Actiotech LLP) *(Germany)*
Senior Front-end Software Engineer

Sept. 2020 – July 2025

- **Software Product Development (Scrum Manager App):**
 - Served as Lead Developer and Product Owner for this application that secured **2nd place in Atlassian Codegeist 2021 Hackathon**. The app makes scrum management easier, from running daily scrum ceremonies, to planning for estimation and conducting sprint retrospectives.
 - Improved application performance by **20%** by optimizing state management and reducing initial load times.
 - Built a companion Slack app and Chrome extension to facilitate synchronous daily scrum updates.
 - Technologies: React, Recoil.js, JavaScript, TypeScript, Node.js, MongoDB, Firebase
- **Data Visualization & Reporting Tools:**
 - Assisted in the development and maintenance of a proprietary charting library and “Charts & Reports” web app used by over 1,000 customers on the Atlassian marketplace.
 - Helped in expanding the library with custom charts and enhanced customizability of charting in the app.
 - Technologies: React, D3.js, Javascript
- **Cloud & Serverless Applications:**
 - Architected “Attachment Tags for Jira” on Atlassian’s Forge (serverless platform) and “Planning in Scrum Manager” for the monday marketplace which were ports for Scrum Manager on other platforms.
 - Focused on building user-centric features that allow collaborative work estimations and tag-based file retrieval.

ADDITIONAL PROJECTS & LEADERSHIP

- **Q.E.D.:** Developed an Augmented Reality crime-solving game application for the techno-managerial event Excel 2018 conducted by Govt. Model Engineering College. (Tech: Unity3D,Vuforia)
- **Technical Event Management :** Also organized the event that the app was built for which had over **50+** participants with great coordination.

EDUCATION

Tampere University *(Tampere, Finland)*
MSc. - Software, Web and Cloud

Aug 2025 – present

Govt. Model Engineering College *(Ernakulam, Kerala)*
B. Tech. - Computer Science and Engineering

Aug 2016 – Aug 2020

SKILLS & INTERESTS

- **Soft Skills:** Problem Solving, Team Management and Organization.
- **Technical Skills:** JavaScript, React, Node,MongoDB,D3.js.
- **Interests:** Football, Video Games, Reading, Fitness, Cooking
